During the month of May 1962 the following persons, processing through the CAC, were considered to be of operational importance to JMWAVE.

1. Rafael *ARRIBAS Rodriguez (A 12 895 148). Subject, a former Medical Products Salesman, had contacts with two employees of the Post Office in Cuba. The leads he provided were considered marginal and dropped for further operational exploitation.

2. Jose Francisco *AZOR Ores (A 12 911 733). Subject, a former rural census taker for the INRA, is undergoing a thorough debriefing on OB and cartographic information by the AMOTs.

3. Manuel CABRERA Rodriguez (A 12 911 477). Subject, a former railroad worker in Camaguey and ex-Rebel Army Battalion Commander, was debriefed on positive intelligence information. The results of this debriefing were forwarded to Reports for dissemination.

4. (Dr) Jaime *CARBONELL Rivero (A 12 907 852). Subject, a former night club owner in Havana, submitted two plans to assassinate Fidel Castro. The results of this debriefing were forwarded to Headquarters in UFGA-4176, dated 31 May 1962. att

5. Abel Julio *COLINORIO Vasquez (A 12 971 774). Subject, a former Naval Chauffeur and member of the FND, is being debriefed on operational leads and positive intelligence.

around this agent into the medical profession in Havana and Pinar del Rio. Subject had come to PBPRIME to visit his son who had been injured in an automobile accident.

7. Carlos Fernando *GALBAN Perez (A 12 895 062). Subject, a former theatre employee in Havana, was contacted by fnu *LLANO, a private detective in Havana who was his neighbor, just prior to his departure and asked that, when Subject arrived in Miami, he contact Freyre JORGE in the Catholic Bureau in Miami. Allegedly LLANO had information concerning airfields, pilots and radar installations which he wanted to send to Freyre JORGE. Upon contacting the Catholic Welfare Bureau, Freyre JORGE was unknown to them. At the request of JMWAVE, Subject wrote to LLANO in order to obtain more information concerning LLANO's potential. JMWAVE is waiting for an answer to this letter.

8. Antonio *GOICOCHEA Cosculluela. Subject, a former member of the Legal Department of Cubana, was debriefed on positive intelligence and on the activities of AMWARM-1. The result of the intelligence portion of the debriefing is being disseminated.

9. Antonio *GOMEZ Hernandez (A 12 419 493). Subject, a medical doctor, returned to Cuba without giving any indication of his plans to CAC, consequently JMWAVE was too late in recruiting him; however, he is scheduled to return to PBPRIME about November. It is possible that Subject will return again to Cuba at that time. If this proves to be the case, serious consideration will be given to recruiting him.

10. Ruben Arturo *HERNANDEZ Garcia (A 12 911 621). Subject was an MRAC coordinator in Santa Fe, Isle of Pines. Several leads of marginal value were provided.

11. Jose *MONTALVO Urruti (A 12 911 895). Subject, a pediatrician, came to PBPRIME to visit his daughter who is in a Miami high school and to visit a patient. Subject has an invalid wife and one son currently serving in the Isle of Pines prison after he was captured at Playa Giron. Although he originally expressed an interest in working as an ODYOKE singleton in PBPRIME once he returned, he later changed his mind.

12. Tomas *OLIVERA Gandoa (A 11 266 803). Subject, a former Naval Chauffeur and member of the FND, is being debriefed on operational leads and on positive intelligence concerning the Cuban micro-wave system.

13. Valentin *PADRON (A 12 900 229). Subject, a former grocer in Las Villas, was debriefed on operational leads and positive intelligence. The leads which subject provided were considered marginal for further exploitation. Subject had planned to return to Cuba legally but was prevented from doing so for family reasons.

14. Jesus Gregorio *PEREZ, CKA 183. Subject, working an independent resistance network in Cuba, specialized in exfiltration of friends and members of his group. He offered to exfiltrate any technicians and professional people. After debriefing him, Subject was turned over to the PM Branch for exploitation.

15. Federico Gaspar *SALVADOR Rodriguez. Subject, a dentist from Camaguey, came to PBPRIME to attend the funeral of his father. He was recruited and trained in SW before he returned to Cuba. He will be used as a communications link for the AMTAUP Net.

16. Gumercindo *SIMON Sanchez (A 12 911 019). Subject, a former chauffeur in Las Villas, offered to provide bona fides for contacting "Titi" MARTINEZ, a communicator for Capt. Felix *TORRES, a militia commander in Remedios, Las Villas. Subject

also offered to re-infiltrate to contact (MARTINEZ). Subject could not provide sufficient detailed biographic data on (MARTINEZ) with which to risk using a KUBARK internal asset to contact him. An investigation was initiated through the AMOTs to determine more biographic data so serious consideration could be given for contacting (MARTINEZ).

17. Manuel Felix SUAREZ Pozo (A 12 903 186). Subject, a lawyer and a former underground member in Havana, was debriefed further on operational leads. Letters to the more important members of his group have been written in an effort to establish communications and to exploit their operational potential.

18. Miguel Archangel *SUAREZ Valdez (A 12 895 991). Subject, a former resistance group member, was debriefed further on operational leads and is currently expecting a courier from the resistance group leader in Havana, who allegedly has agents who have access to a Soviet COMINT station.

19. Miguel Angel *YANES Garcia (A 12 903 525). Subject, a former employee in the Ministry of Public Works and a member of the FND, was debriefed for operational leads and positive intelligence. Subject refused to reveal any FND assets in Cuba and he had only margianl intelligence to provide.
